

15 June 2009

To Whom It May Concern:

This letter certifies that Welland Engineering Limited, having its Head Office at 31A Cranmore Lane, Holbeach, Spalding, Lincolnshire PE12 7HT, United Kingdom, is authorised to sell and distribute their diesel generating sets that are manufactured with Cummins engines.

Cummins also certifies that its products sold to Welland Engineering are fully covered by our Warranty. Cummins provides Welland Engineering access to its extensive product knowledge in order that Welland Engineering can produce their Generating Sets to the highest possible standards of workmanship using the Cummins product.

For and on behalf of  
Cummins UK

A handwritten signature in black ink, appearing to read 'John Carrington'.
