Certificate of OEM Manufacturer

This Certificate is to certify that WELLAND ENGINEERING COMPANY LIMITED who have head offices at 31A Cranmore Lane, Holbeach, Spalding, Lincolnshire, England, are fully authorised to sell and distribute DIESEL GENERATING SETS incorporating the full range of Volvo Penta power generation industrial diesel engines.

We also certify that we sell our products to Welland Engineering Company Limited and that we offer them our full international warranty. We provide them access to our extensive product knowledge in order that they can produce Generating Sets using our products to the highest possible standards or workmanship.

Yours sincerely,
for Volvo Penta Europe, Office UK

Mr Charles Thurman-Baker
